50<sup>TH</sup> ANNUAL NATIONAL CONVENTION AND SCIENTIFIC SESSIONS OF THE BIOLOGY  
TEACHERS ASSOCIATION (BIOTA) INC.

The Biology Teachers Association of the Philippines (BIOTA) Inc. will hold its 50<sup>th</sup> *Annual National Convention and Scientific Sessions* with the theme *Paradigm Shifts in the Curriculum: Challenges and Opportunities for Biologists* from April 9 to 11, 2015 at the Ateneo de Manila University (AdMU), Katipunan Avenue, Loyola Heights, Quezon City.

The Convention aims to:

1. enable the participants to share/research findings, teaching practices, and experiences in the implementation of innovations in biology education to support curriculum reforms in different educational levels;
2. stress their responsibility of participants who are Biology teachers and researcher in promoting interest, understanding and appreciation of the biological sciences;
3. provide them with a venue for presentation of current researches, projects, and experiences on continuing professional development to enhance the capabilities of Biology teachers; and
4. help them achieve excellence in Biology education and research in the country.

The target participants are biology teachers and researchers from both public and private elementary and secondary schools nationwide.
